Le Van Dao

Fresher Front-end Developer

PERSONAL SUMMARY

I am a motivated and fast-learning fresher front-end developer with a solid foundation in modern web technologies. I enjoy building responsive user interfaces and collaborating with teams to deliver great user experiences. I am eager to grow my skills and contribute to a professional front-end team.

INTERESTS

• Building responsive web and mobile interfaces
• Learning new front-end frameworks
• Joining tech meetups and hackathons
• Exploring UI/UX design trends
